Re: Case No. 2005-00440

Dear Beth:

I have been retained to represent the city of Manchester in this matter. All correspondence, orders or other pleadings should be directed to me. Because I have not had an opportunity to become involved in the filing by the city until now, I suggest the extension of time requested by the Mayor in his December 21, 2005 letter be at least 30 days from today to give adequate time to review the filing and prepare the responses to the initial data request.

If you have any questions, please call.

Sincerely yours,

John N. Hughes
